Corporate Profile

Fullmark was established in 1966 as a biro pen manufacturer. Recognising the vast potential opportunities in the personal computer market, Fullmark decided to make its foray into the Information Technology industry in the late 1970's, to be the leading manufacturer in printer and typewriter ribbons.

Fullmark has evolved in its product road map to embrace a broad range of high quality imaging and computer supplies, such as Printer & Typewriter Ribbons, Inkjet Bulk Ink & Refill Kits, Inkjet Refilling Machine, Continuous Ink Supply Systems, Thermal Transfer Ribbons, Printing Media and Stationery Tapes.

Fullmark has diversified to manufacturing and distributing a myriad range of premium quality products through its worldwide distributors, private label business partners and OEMs (Original Equipment Manufacturer).

Chairman Message

"This corporate profile expresses our appreciation for the commitment of our distributors, dealers and customers all over the world. We also take this opportunity to showcase our products that we know will fulfill consumers' needs. Since Fullmark's inception more than 30 years ago, we have pledged ourselves (and we continue to pledge ourselves) to making Fullmark Imaging products The Better Alternative! to all end-users of imaging equipment. Quality is our hallmark. A heartfelt thank you to everyone for your support and patronage which helped Fullmark to become what it is today."

Mr. SS Tan
Chairman of Fullmark Group of Companies

Manufacturing Facilities & Production Capabilities

Registered in 1967, Fullmark has come a long way since its modest beginning as a biro pen manufacturer to become a group of diversified companies, each with its distinct operations.

Film Slitting Machine

The multi unit of 4-Station Rotary Stuffing Machines
